Summary of The Watchtower

Draw a picture of what this week's Watchtower study is about:

A large, empty rectangular box with a thick black border, intended for a drawing. It occupies the central portion of the page, below the instruction and above the footer note.

(Note to parents: insert the Watchtower worksheets for the week of your assembly here for additional activities, if desired.)

A cartoon illustration of a young girl with long, wavy hair. She is wearing a dark-colored dress with a small flower on the chest. She is holding a magnifying glass over her right eye, which is enlarged and detailed. Her left eye is closed in a wink. She has a small bow in her hair. The background is plain white.

I Spy

The word "ready" is written in a lowercase, sans-serif font. Each letter is composed of a grid of small dots, giving it a pixelated or digital appearance. The dots are arranged to form the shape of each letter, with some dots missing to create the negative space within the letters.
